He's a splendid kid, isn't he...
Professor Katsuragi?
Yes.
Even here in "Gigant", there are very few people that are as good as him.

But he hasn't killed before, has he?
I wonder if he can do it...
It looks like this mission just became a test for his future with us...

NEXT DAY
TEIRYOU GAKUEN HIGH SCHOOL
Geez...
I can't believe I'm back to being a student again at this age.
I don't even understand the stuff they're teaching us...
Oh well... I guess I didn't understand back then either.

Anyways ...
I'll just get this over and done with, and say good-bye to this!

But. .
I looked through the data, but I don't get it...
Besides the fact that her parents are famous archaeologists ...
There wasn't anything else outstanding about her. She's just an ordinary high school girl.

The mission itself is weird.
And furthermore...
WHAT DOES THAT MEAN!? DAMN IT!!
ARE THEY TRYING TO TURN ME INTO A PSYCHOPATH MURDERER!?
KILL HER
AND CHECK WHAT'S INSIDE HER PANTIES!?

Eh!?
Umm...

I saw what you just did...

SHI... SHINONOME MIKI!!

Miki and Kenji, their hostility for each other continues ...

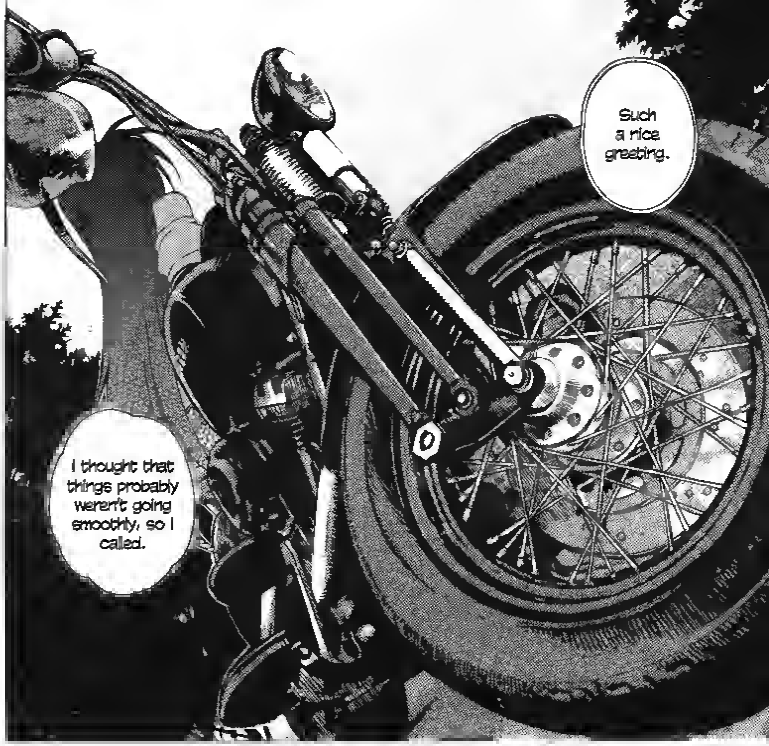
Is there something you need?
Senju-san.



Such a nice greeting.
I thought that things probably weren't going smoothly, so I called.

I guess you're nervous since it's your "first time"?
Remember how I said not to embarrass her?
WHA-WHAT'RE YOU SAYING ...!?
WHAT'RE YOU TALKING ABOUT!?
And besides ...
Why wasn't I told why I have to kill her!?

I'M SURE YOU'VE HEARD THAT THE TARGET'S FATHER IS AN ARCHAEOLOGIST!!
Have you forgotten?
As long as "Gigant" receives an order, we'll kill anyone, or take anything...
A "why" is not necessary.
But...
Since it's special, maybe I'll tell you.
APPARENTLY, HIDDEN ON HER BODY SOMEWHERE IS THE SECRET TO A LEGENDARY ANCIENT DYNASTY HER FATHER DISCOVERED.

AND IT'S SAID THAT IF YOU CAN SOLVE THE SECRET BEHIND THAT DYNASTY, ALL YOUR WISHES WOULD COME TRUE...
EVEN CHEATING DEATH...
SO KILLING THAT GIRL AND TAKING THAT SECRET IS THE MISSION THAT HAS BEEN ASSIGNED TO YOU.
I'm sure you can do it.
That is if you really are the undefeated champion of Gigant's underground arena,
Hazakura Kenji.
Make sure you do it properly. It isn't just for your sake,
if you disobey the organization, we can't guarantee the lives of your siblings.

I guess failure isn't an option....
I'll call again.

Under orders from the organization "Gigant", Kenji infiltrates Teirygu Gakuen High School. His mission is to kill Miki, and check what's inside her panties. The reason behind this is that if one is able to solve the secrets behind the legendary ancient dynasty hidden on her body, one would gain a power strong enough to grant all wishes. However, after talking to and fighting her, Kenji develops an attraction to her. Upon discovering that Kenji has failed in his mission, the organisation sends another assassin, Shizuka, to dispose of him. She deals a fatal blow to Kenji, but due to Miki's strange power, Kenji's life is saved.

Senju Shizuka
You sure went through a hard time.
Such a waste of a beautiful woman...

PRO-FES-SOR, I...!!
Yeah, it's alright.
I have no intention of disposing you.

Because I'm in a good mood...
I had a dream from the past I miss.

15 YEARS AGO... AT THE EXCAVATION SITE OF THE NEWLY DISCOVERED ANCIENT RUINS IN SOUTHEAST ASIA,
IT WAS THE FIRST TIME I MET THAT MAN... SHINONOME DAIGO, AND ALSO MY LAST...
We found the ruins of the legendary Muay Dynasty.
Inside the palace located at the center of the site...
we met with a horrifying existence that could change fate itself.
And that was...?

A CHILD INSIDE A STRANGE GLASS BOTTLE AND A PROPHECY...
"THE QUEEN OF MUAY WILL TRANSCEND A THOUSAND YEARS AND GAIN UNLIMITED POWER TO RULE THE WORLD."
THAT WAS WHAT WAS WRITTEN IN THE BOOK.
That child was still alive having been trapped inside the palace's equipment for a thousand years.
DON'T TELL ME...
THAT CHILD WAS SHINO-NOME MIKI...!?
Yes.
It really is something, the Muay's secret arts.
Even today's science can't compare...
they possessed a miraculous power that can only be described as "magic".

OR TO BE PRECISE, THE "HIDDEN TREASURE OF THE MUAY" HIDDEN INSIDE THE QUEEN IS THE KEY TO EVERYTHING.
AND ONLY THE ROYALTY CAN FREELY CONTROL THAT POWER...

But as you know, the queen is currently under the care of Shinonome Daigo
and that makes things a little harder...

Look,
we've even had to resort to using something like this.

IT'S COMING!
SHIT...!
NOT EVEN GRENADES WORK!!
GUWAHH!

P-PROFESSOR!!
H...
HEL...!

GYAAA HHHH!!

Ever since then I have been collecting the inheritance of Muay scattered around the world.

Although, it would be too conspicuous for business, so I have chosen not to use it.

This is...
the Muay's secret arts...
Just one part of it,
although, compared to its entirety, this is mere child's play...

Hmph.
That ended up being a nice warm up.

But if I can use it properly, it will be possible for me to obtain an even greater power.
Miki's secret is revealed! And what of Muay's secret arts!?
Will you be able to defeat "Nataraja", Queen of Muay...?
